ALABAMA-COUSHATTA TRIBAL SECURITY

The Alabama-Coushatta Tribe has implemented a security system with emergency numbers for quick response and employs its own security guards who work closely with the local sheriff's office.

A 24-hour dispatch program was implemented to assist both the Security and the Volunteer Fire Department in dispatching out for emergencies.

For emergency only, call 936/563-1200.

For general information, call 936/563-1100.
